CERTIFICATE

of compostability of paper KH PACK group

for company

KRPA PAPER, a. s., Nádražní 266, 543 71 Hostinné

Compostability, compost and vermicompost derived from paper KH Pack group meet the legislation:

European Standard EN 13432. Packaging – Requirements for packaging recoverable through composting and biodegradation – Test scheme and evaluation criteria for the final acceptance of packaging. Czech version issued by Czech Standards Institute, Prague.

Czech State Standard 46 5736. Vermicomposts. Office for Standards, Metrology and Testing, Prague, 2018.

Decree of the Ministry of Agriculture No. 474/2000 Coll., On setting requirements for fertilizers.

The analyzes were carried out according to the internal methods of the Department of Agro-Environmental Chemistry and Plant Nutrition of Czech University of Life Sciences Prague, which were based on the above mentioned documents.

doc. Ing. Aleš Hanč, Ph.D.

Specialist for composting and vermicomposting

prof. Ing. Iva Langrová, CSc.

Dean of the faculty

In Prague on May 2nd 2019
